The Branch Office of THE HERALD is in the Woodmansee Block, Main Street, Second Floor, C. A. Smurthwaite, Agent.

We are at all times glad to receive communications from correspondents on topics of public interest, which should be addressed to our branch office, and be accompanied by the name of the writer, not necessarily for publication, but as a guarantee of good faith.

Subscribers will oblige by promptly notifying this office of any failure in the delivery of this paper.

SATURDAY - - - - - June 9, 1888

Chamber of Commerce.

The usual monthly meeting of the Directors of the Chamber of Commerce was held on Thursday evening, and a few minor matters received attention.

Councilor Joseph Jackson, in a letter which was read, declined to act on the canvassing committee upon which he had been appointed to solicit subscriptions for the advertising fund, and suggested that it would be more advisable, in his opinion, to raise \$5,000 with the object of commencing a manufacturing enterprise which would employ labor at home, instead of wasting that amount by advertising abroad.

Several other letters of an unimportant character were read and ordered filed.

Director Sidney Stevens made a report with reference to his canvass among the implement dealers of this city, and stated that most of them, being branch houses of Salt Lake concerns, could not make any definite promises to subscribe to the advertising fund until they referred the subject to headquarters. The remainder were giving the matter consideration.

Director H. S. Young reported that each of the banks had promised to donate the sum of \$200.

Director Presbury reported that the contractors and builders had promised to do all that was possible for them to do.

The reports were not altogether satisfactory, and it is to be feared that Ogden will be behind her sister cities in the movement of advertising her resources and the undoubted superior attractions she offers for the investment of capital.

As there did not appear any positive indication of raising the money to enable Mr. E. W. Tullidge to furnish the 1,000 copies of his monthly—The Western Galaxy—a resolution was passed releasing him from any obligation in the matter.

The meeting then adjourned.

Arrest.

P. J. Raspensen and William Roundy were arrested yesterday on the fashionable charge. Raspensen was taken at Milton, Morgan County, and Roundy apprehended up the canyon at his saw-mill. They were placed before Commissioner Cross in Ogden yesterday, and were each bound over in the sum of \$1,500 to await the action of the grand jury. The bondsmen for Raspensen were Joseph Williams and Joseph Childs, of Morgan, and those for Roundy were G. H. Tribe of Ogden, and Joseph Childs of Morgan. The arrests were made by Deputies Eggleston, Whetstone and Steele. Roundy's alleged second wife was bound over in the sum of \$300. Raspensen's daughter was also bound over in the same amount.

Baseball.

The following are the names of the teams and their positions on the diamond in the baseball match to be played to-day:

Athletics—Brown, pitcher; Greenwell, catcher; Hestmark, first base; Browning, second; Farley, third; Newman, short stop; Essien, left field; Mortensen, centre field; Right, right field.

Willards, O. Wells, pitcher; C. F. Wells, catcher; D. Harding, first base; Edwards, second; Nicholas, third; Thomas, short stop; B. Harding, left field; Owens, centre field; Nebaker, right field.

Horse Mishap.

On Wednesday last, Eugene Carlos, a young man 18 years of age, while attending to his business as herder, at Lost Creek, Morgan County, Utah, was thrown from his horse and had his collar bone broken. On Thursday he was conveyed to Ogden, and placed under the care of Dr. Allen, who succeeded in reducing the fracture. Carlos went last night to the residence of his parents, who are located in Kaysville.

Graduating Exercises.

Last night a very successful and interesting ceremonial took place at the Ogden Academy, known as the graduating exercises. The programme was an extended one, consisting of reading, paraphrasing, original addresses, solos, duets, part songs, etc., by the pupils. The Home Circle orchestra, under the baton of J. M. Navoni, rendered some choice music, and the whole affair was pleasurable to a great degree.

Personals.

H. H. GILL, of Denver, is in the city.

B. HAMBURGER, of Kansas City, is at the Broom.

HON. LOREN FARR went to Salt Lake yesterday morning.

B. H. GODDARD, the enterprising real estate and insurance agent, left for the north last evening.

Police Court.

John King, John Howard, and S. Nazel, vagrants, were yesterday arrested, and appear before Judge Dee, who sentenced them to ten days each.

Briefs.

DAY ROP. STRAWBERRIES are rolling into the Junction City.

THE crops of lucern are reported heavy around this district.

MR. TULLIDGE, editor of the Western Galaxy, was on the streets yesterday.

THE horse trough situated on Fourth street needs looking after. Whose business is it?

WE understand that real estate transactions in Ogden are becoming somewhat more frequent.

THE base ballists of Willard meet the Athletic boys to-day on Lester Park. The game will be called at 2 sharp.

THE nominations for President and Vice-President was the subject of animated discussion on the streets yesterday.

Mr. JOSEPH CLAYTON has been appointed manager of the Syracuse bathing resort. The season will commence on the 15th inst.

THE Rocky Mountain trapeze performer, who injured himself internally by an accident while practicing a couple of days ago, is to have a benefit. We hope it will be a success.

THE stone having arrived, after having been delayed, for use in the building of the new City Hall, a large number of stonecutters are at work and everything is now progressing smoothly.

THE building which is being erected on Main Street by Mr. Bates, is apparently going to be of a substantial character, judging by the foundations put down and the walls as far as they are now built.

ON the private office door of Probate Judge Shurtliff may be seen three pieces of ribbon—red, white and blue—emblematic, it is conjectured, of the nominations of Cleveland and Thurman, with Utah added.

THE hoodlums of Ogden were at the fire on Thursday evening in force, and exhibited their usual good taste by noise making and otherwise disturbing the people assembled to listen to the Vigor of Life company's concert.

IF the liver and kidneys are sluggish and inactive, Hood's Sarsaparilla will rouse them to prompt and regular action. Take it now.

Now I am free from all pain and soreness, and am able to do all my own housework. I owe my thanks to Electric Bitters for having renewed my youth, and removed completely all disease and pain."
